

Problem (why?)

What problems are we solving?
What needs to change?

Intervention description (what?)

What are the core components of the approach?
What will people do to address the identified needs?

Implementation strategies (how?)

What blend of strategies are required to implement the approach?
How will we draw on the behaviours and contextual factors to do these strategies well?

Implementation outcomes (how well?)

How will we know the approach is being implemented well?

What milestones can we measure along the way?

Short term

Medium term

Long term

Final outcomes (and so?)

What do we want our plan to achieve?

How will pupils, teachers and the school benefit?
