

### Problem (why?)

What problems are we solving?  
What needs to change?

### Intervention description (what?)

What are the core components of the approach?  
What will people do to address the identified needs?

### Implementation strategies (how?)

What blend of strategies are required to implement the approach?  
How will we draw on the behaviours and contextual factors to do these strategies well?

### Implementation outcomes (how well?)

How will we know the approach is being implemented well?

What milestones can we measure along the way?

**Short term**

**Medium term**

**Long term**

### Final outcomes (and so?)

What do we want our plan to achieve?

How will pupils, teachers and the school benefit?
